TERMS AND CONDITIONS

TERMS : The terms are cash or check on sale day payable to Modern Associates, Sales Manager, in U.S. funds unless other arrangements are made with the consignor prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. The guarantees listed below shall be offered by the seller only after payment terms have been met by the purchaser.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animals shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner and may not be transferred back to the seller, except at the discretion of the recording society concerned.

EXPORT TRANSACTIONS: Prospective buyers or agents must make satisfactory agreement regarding health tests and requirements with the consignor and/or sale's management prior to the sale. Failure to do so shall make the buyer responsible for all health tests. Any special terms of payment must be cleared with the sale's management prior to the sale.

RISK: All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a reasonable length of time. Purchasers must make arrangements for care of their purchase if not removed within 24 hours following the sale. Separate agreement must be approved on export cattle. All animals are at the consignor's risk prior to selling in the event of fire or other mishap. All semen and embryos sold shall immediately become the buyer's property and risk as soon as struck off.

CERTIFICATES OF REGISTRY AND TRANSFER: Each animal which is cataloged, offered, and sold as registered shall be recorded in the Herdbook of the Brown Swiss Cattle Breeders' Association of the U.S.A. The sale management shall be responsible that every animal be transferred within 30 days to the purchaser at the seller's expense, such transfer to be recorded on the Certificate of Registry by the Secretary of the Association. The following suffixes have been added to the names of animals designated by the Brown Swiss Cattle Breeders' Association of the U.S.A. as abnormality carriers or non-carriers as may apply. (W); (S); (M) - known Weaver, Spiderleg or SMA carrier determined by identification of affected offspring. (CW); (CS); (CM) - a confirmed Weaver, Spiderleg or SMA animal through diagnosis by an approved laboratory. (W*); (S*); (M*) - Weaver, Spiderleg or SMA carrier determined by DNA testing at a confidence level of 90% or above. *TW; *TS; *TM - Weaver, Spiderleg or SMA non-carrier determined by DNA testing at a confidence level of 90% or above.

SHIPPING: Assistance will be given in loading and shipping animals, but no risk is assumed by the sale's management or seller.

WARRANTIES

- (1) The seller warrants clear title to the animal and right to sell the same.
- (2) Unless otherwise noted in the catalog or announced from the auction stand, each animal is sold as sound. All udder guarantees will cease when the cattle are loaded for removal from the barn.
- (3) **BULLS:** Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within four months after the bull reaches 14 months of age. The seller shall then have six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.
FEMALES: Any female pregnant when sold or that has freshened with 90 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within six months of sale date, or if less than 15 months old when sold, by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller within two weeks of the aforementioned times. The seller will then have the privilege of six months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant, but pregnancy is not guaranteed. The seller makes no warranty that females announced safe in calf will deliver live calves, or that they will carry calves full term, nor does he guarantee that the calf carried will not be mummified. In no case shall the seller be responsible for more than the sale price of the animal.
- (4) Above warranties cease when the animal is disposed of by the original purchaser.
- (5) Transportation charges on all animals subject to adjustment shall be paid by shipper.
- (6) If, after the sale, embryos or oocytes are recovered from a female or she is superovulated the Breeding Warranty is negated.
- (7) Embryos - the seller warrants that embryos have been recovered, processed, frozen, transferred and graded in keeping with the American Embryo Transfer Association recommendations unless otherwise announced from the auction stand.

HEALTH CERTIFICATES: Official health certificates will be provided to the purchaser of each animal. Results of any future health tests are not guaranteed. The seller and sale management hereby notify buyers that, according to the State of Wisconsin ATCP Rule 10.21, all animals are sold as originating from a maximum risk paratuberculosis herd. The seller and sale management can not be held liable.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced, such announcements to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale's management nor the consignors can assume any responsibility for any errors or omissions in the catalog.

ACCIDENTS: The Sale Manager, auctioneers and owners are not in any way responsible for the condition of the grounds nor the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

RESPONSIBILITY: The consignor will represent and be responsible for his animals. In no case, however, will the consignor be responsible for any damages beyond the selling price of the animals. Wayne E. Sliker/dba/Modern Associates, sale manager, assumes no responsibility, acting only as an agent, but will endeavor to protect the interests of both buyer and seller.

Semen & Embryos

All semen and most embryos will be at the sale. Buyers will be responsible for their purchases as soon as struck off.

Purchases must be settled for and picked up sale day. If other arrangements for shipping are made, the cost is to be borne by the purchaser and/or their agent.

Breeders and Dairymen:

We welcome you to Ohio and the Ohio National Hall of Fame Sale. This year's sale will be the fourth National Sale that we have managed under the sponsorship of the Ohio Brown Swiss Association.

It is said that "Time changes all things" and that is definitely the case in the dairy and genetics business. We have unquestionably seen dramatic advancements in the way we breed, manage and evaluate our cattle. The increased production is amazing when we look at comparisons. In the 1987 Ohio National, we offered three head from dams over 30,000m including the breed's leading cows for fat and protein at that time. In 2017, we are offering over half of the entire sale from dams over 30,000m with five over 40,000m.

We attempt to select and offer diversity to meet different criteria. Not everyone orders the same items from the menu, thus we present a varied selection:

- ◆ Deep Production, Type & Foundation Pedigrees
- ◆ Fancy type to suit the eyes for all levels of competition
- ◆ Variety of sires, genomics and new pedigrees

Enjoy yourself in Ohio but make sure to take advantage of the Brown Swiss opportunities available July 8th.
 ~ Wayne

RNR CALVIN DREAMGIRL

Lot 2

RNR PRELUDE DUSTY '4E94'

Dreamgirl is exactly how you would describe Dusty's Calvin daughter. Dusty has been a legend in our herd with her outstanding type and production and as the dam of Excellent cows. She has over 300,000 lbs of milk lifetime at nearly 15 years of age while being housed with the rest of the herd.

On the top side of Dreamgirl's extremely interesting pedigree is Calvin, the best udder bull of all of Europe. He also starts off the Udder Composite list in the U.S. without any Vigor, Brookings or Wonderment, opening up your mating possibilities.

RNR PIERCE **PRIMROSE**

Primrose hails directly from our show string. Primrose has what it takes to compete, winning a strong Senior two year old class at Ohio State Fair in 2016. This spring she defended her Intermediate Champion title at the Spring Dairy Expo, winning as a Senior two year old and a Senior three year old. You will not miss her great rear udder when walking the line of sale cattle. Primrose's first six tests average a 30,000 SCC. Primrose is sure to lead you to a fun summer and fall.

RNR LEBRON **PEPPERDINE**

RNR Supreme LeBron has been the most consistent and overall best uddered bull we have ever used. LeBron stamps out high, wide rear udders and welded on fore udders with veins and silky texture to spare. Pairing LeBron with Ensign Peppermint, our best ever daughter of Formula Peanut was a no brainer. We are reluctant to part with Pepperdine, but Wayne asked for her. No heifer at RNR Swiss Farm has this much udder potential.

Tango is a National Sale alum and an outstanding purchase!
Wayne wanted the best for the Ohio National Sale and he
got the 1st offering and only daughter from this special
young cow!

Tango holds a special place in our hearts for her connection
to the late Jeremy McDonald of Shen-Val Farm. Jeremy
never got to see Tango fresh, but we know exactly what
he'd say about her and the striking resemblance to her
granddam Tootie, one of his all-time favorite cows!

A straight-lined, correct and fancy September Braiden ready to show! And a super bonus of 3 Braiden IVF Embryos will also sell with the calf - what a package deal to get into the 'W' Family! Don't miss this one! This family has proven to make the 'Right Kind' - to build from, have fun, and make money! I believe in this family, have invested in this family, and never looked back! Thank you to the breeders who bought her embryos and the First Choice at the World Premier Sale in 2016.

BROOK HOLLOW TOTAL PARTY

Reserve All-American Spring Yearling 2016
Supreme Champion SDE 2016
She's a Total from a '2E91/29,870M' Wonderment
and the 3rd dam is Para. Party's full sister sells
and is one of our all-time favorite calves - she's sweet
and neat!

Fourteen years ago we purchased a high-quality cow at the Top Acres Sale, Top Acres Pre Para '3E91', she went on to make an entire small herd of Swiss for us with several All-American contenders with top production.

Para is the dam of Top Acres Coll Party '3E93', a 2x All-American that still holds the record for the highest selling Brown Swiss ever in a public sale.

*Also selling a
great uddered
Goldwyn whose third
dam is Para!*
